The **Director of the Year Award** was presented to **Jeff Gaddis**.

Two bowlers were inducted into the **VPUSBC Hall of Fame**.

For meritorious service William (Sam) Smith was inducted. Sam has been bowling for nearly 30 years and has served on the Hampton Roads Bowling Association and also the Virginia Peninsula USBC Board. His passion for the sport and his knowledge of web design made it a natural progression for Sam to become the webmaster and designer for the local association page. He is instrumental in getting news to the local newspaper and spends many hours each week updating the website and Facebook page. He's also an accomplished bowler and is a member of the 700 club and has bowled a 299 and 300 game.

For **bowling performance Joylene Chappell** was inducted. The child of bowling parents, Joy has been bowling most of her life. She has numerous achievements including being named to the VPUSBC Women's All Star team with a 189.54 composite average. She has been a familiar face in the local, state and national tournaments and bowled her first 300 in 2001. She has claimed high average in numerous leagues with her highest average a 209. She has also bowled many 700 series and won the women's state doubles and all events categories in 2001. She believes that bowling is not only about performance, but also style and sportsmanship.

The two VPUSBC charities fared well again this year. In January, there were 149 bowlers who entered the **Bowl for the Cure Tournament** at AMF York Lanes. Nearly \$4500 was raised for the Susan G. Komen cancer charity. The **BVL (Bowlers to Veterans) Mail o Graphic Tournament** had a huge showing with 783 entries from league scores from November 7-13, 2016. Almost \$4500 was raised in that virtual tournament!

In the **54th Annual VPUSBC Youth City Tournament**, **Jason Curtis** from Langley Lanes threw his first 300 game. This was also the first 300 game bowled in the youth tournament in our Association's history!

Once again the VPUSBC is pleased to present two scholarships for our local high school seniors based on scholarship, bowling, community service and other requirements. Those two scholarships are being presented today!

UPCOMING DATES TO REMEMBER:

Our **Annual VPUSBC Workshop** will be August 5, 2017 at the Tabb Library.

Join us on Saturday November 4, 2017 at the Crowne Plaza Marina in downtown Hampton for the annual awards banquet. There will be a social hour, dinner, awards and Hall of Fame inductions for the 2016-17 season. This is going to be a great night to celebrate our bowlers and also have a lot of fun. There will be a band and dancing following the awards program. Tickets will go on sale in the fall.
